Make the Right Choice for Your Business

Prices effective November 1st, 2026

www.profoam.com • (706) 557-1400

Profoam offers a complete line of mobile spray rigs for plural component applications such as sprayfoam insulation, sprayfoam roofing, polyurea coatings, Geotech lifting and other. All Profoam rigs are custom designed and built to ensure the needs of our customers are met. One size does not fit all with plural component equipment and spray rigs. Our knowledgeable staff can consult with you and recommend the right mobile spray rig to fit your specific application need. Profoam rigs are built to last and built to our customers specifications. This rig book showcases many of our most common spray rig designs and gives you upgrade options to choose from.

Why Choose a Profoam Mobile Spray Rig? Our Standard Features are Our Competitors Upgrades!
